Principal's Message

I hope you have all had a very good start to the winter season. We seemed to have enjoyed a temporary reprieve to the cold weather that arrived in October. The students have enjoyed what snow we have received thus far, and are anxiously awaiting more of the white stuff.

The students were involved in a number of activities in October outside of the regular curriculum: JV Clark and NND hosted a Youth Gathering Conference, various tradespeople volunteered their time at JVC for National Trades and Technology week with Skills Canada, the completion of a Fish Scale art project with Nancy Hager, and finally a Community Pot-luck lunch.

Report cards go home on Wednesday, November 16. Parent Teacher interviews are the following day. Please take advantage of the Parent - Teacher interviews to visit your children's school, talk with your children's Teachers and other JV Clark staff about your child's learning throughout the First Term.

The healthy food program continues, thank you to Joanne Buyck. Fresh fruit and other staples have been made available to all students at morning break and lunch. The fruit and snack program will continue
