

First Nation of Na-Cho Nyak Dun  
Lands and Resources Department  
Box 220  
Mayo, Yukon Y0B 1M0  
Tel: (867) 996-2265  
Fax: (867) 996-2267

### **Job Opportunity**

**Position Title:** Water Sampler

**Department:** NND Lands and Resources/Mining Reclamation

**Wage:** Starting at \$24.77

**Term:** On Call

**Closing Date:** Ongoing

**Start Date:** Ongoing/On call as needed

### **Job Summary:**

The preferred candidates will have an understanding of local environment conditions and effects associated with past and current activities facing the ecosystem in FNNND's Traditional Territory. The applicant must have basic office and organizational skills and also a good understanding of First Nation Governments. The individual should be willing and able to undertake field work. This work is a great opportunity to learn about mining reclamation processes.

### **Main Duties**

Field work will include; water sampling and monitoring, fish habitat assessments, soil investigations and water treatment pilot studies. Applicants must be self-motivated and physically capable of lifting at least 50 pounds. Duties could include training, field work and report writing to the Lands and Resources Department upon completion of assignments.

### **Working Conditions:**

This position is located primarily within NND's Traditional Territory. This work requires the candidates to be willing to travel through different methods of transportations to and from the sites; trucks, boats, canoes, ATV's aircrafts. The applicants must be willing to work overtime hours and weekends.

*\*Preference will be given to First Nation of Na-Cho Nyak Dun Citizens\**
