

TEMPORARY

3 Field Assistants - Soil Samplers

June to August 2017 (approximate)

Victoria Gold Corp will be conducting a geological mapping and soil sampling Exploration Program and is accepting applications from individuals who are interested in the role of **Field Assistants - Soil Samplers**.

The position may either be based out of the Victoria Gold's Eagle Gold camp and/or regional exploration camps, individuals will work a 3 weeks in – 1 week out rotation (12 hours a day) for the duration of the program.

The Field Assistants – Soil Samplers will be responsible for collecting soil samples, bagging and tagging the samples. The individual will be working with the Geologist to ensure sampling procedures are followed and must be able to carry a fairly heavy back pack, enjoy hiking and working outdoors.

Please note that Victoria's Eagle Gold camp and all our exploration camps are "DRY FACILITIES". We are looking for individuals with

- Positive Attitude
- Clear Criminal Record
- Ability to work in a remote site
- Good Interpersonal Skills

If you are interested in these positions please submit your resume to Natasha Young, NND Victoria Gold Community Liaison in person (Government House) or by email to natasha.young@nndfn.com
