

# JOB POSTING

ARCHER CATHRO

# GENERAL LABOURER

Archer Cathro is looking for General Labourers for support at our various project sites. Seasonal positions are available for our summer operations located in rural areas in Yukon. The General Labourer reports to the on-site Project Manager, who will provide general direction and support. The successful candidate will be physically fit, have exceptional communication skills and be comfortable safely using a variety of tools.

## Responsibilities:

- Help to fuel, lubricate and complete preventive maintenance on company assets
- Aid in the completion construction of small projects at the client project site
- Participate in activities such as camp construction, diamond drill pad construction, falling trees, helicopter support and reclamation
- Maintain consistent communication with on-site Camp Manager and Project Manager
- Actively seek opportunities to recognize health and safety hazards, and resolve safety issues to reduce risks in the workplace
- Ensure good housekeeping in the work area at all times
- Maintain a high performing, team orientated and productive work environment
- Promoting the importance of Safety, Health and Environment in the workplace

## Required Knowledge/Skills:

- Basic construction principles
- Ability to carry out physically demanding work

## Preferred:

- OFA Level 1 First Aid or better
- Valid drivers license
- WHMIS
- Wilderness or backcountry experience
