

Pelly Construction Ltd. is a privately owned and operated contract mining company based in Whitehorse, Yukon. Over the past 24 years Pelly has successfully completed many substantial earth moving projects, mine development & infrastructure, environmental reclamation projects, as well as an isolated airstrip and port facility in Rothera, Antarctica.

Pelly Construction Ltd. is actively seeking an experienced, ticketed First Line Supervisor for our Eagle Gold Project.

The proposed Eagle gold mine will produce doré from a conventional open pit operation with a three-stage crushing plant, in-valley heap leach and carbon-in-leach adsorption-desorption gold recovery plant. More information on the project can be found on the Victoria Gold Corp website at <https://www.vitgoldcorp.com/>

Under the general guidance of the Project Superintendent, the first Line Supervisor serves as the first line of supervision within a mining environment. The incumbent will supervise the work activities and assigned employees in any combination of construction and mining duties.

- Prepares safety topic daily for morning toolbox meeting
- Ensures crew is advised of the hazards for the day and advised of their work tasks
- Set up of crew and provides further instruction when requested
- Maintains constant contact with crew to ensure work is completed as required
- Review of all safety and equipment paperwork and ensures that equipment is safe to operate or requests repairs and maintenance from the mechanic department
- Coordinates training of employees with the safety department
- Anticipates and reacts to shortages of material, equipment, personnel and space to meet schedule.
- Recommends actions such as hiring, transfers, promotions, discharges, assignments and discipline employees.
- Understands the profit aspects of the department and meets or exceeds the budgetary objectives in relation to labor, waste, indirect labor and expenses.
- Aids in the establishment of safety rules and instructions in the proper use of safety equipment.

### The Ideal Candidate

Outside of the skills and necessary qualifications, our ideal candidate must be committed to achieving superior results with integrity and sustaining our safe and positive work environment while having the ability to embrace working side by side others in a diverse culture.

Skills:

- You bring a strong commitment towards safety and foster a strong positive safety culture.
- You have the ability to multitask and proactively manage tasks and commitments.
- You possess excellent interpersonal, communication and problem solving skills.
- You are accountable for your areas of operation, including all direct and indirect reports.

Qualifications

Grade 12 education or equivalent.

Post-secondary education would be considered an asset.

Multi Equipment experience is necessary.

Knowledge of Yukon Occupational Health and Safety Regulation.

Previous Open Pit Mining and construction experience.

Valid First Aid Certificate.

Current and valid First Line Supervisor Certification.

Current Leadership for Safety Excellence certificate would be an asset.

Valid Driver's License.

Pelly construction offers a generous group benefits package including medical, dental, life and travel insurance as well as a group RRSP program where we will match your contributions. You will be working on a rotational schedule which will be determined shortly. We pay a competitive wage along with an overtime rate after 8 hours daily and 40 hours weekly.

To apply for this position, please bring your resume to our office at 111 Industrial Road, beside Integra Tire. We are open from Monday to Friday, 8AM to 5PM. You may also email your resume to [resume@pelly.net](mailto:resume@pelly.net) or fax it to 867-667-4194.
