NOTICE TO NND TENANTS

Dear Tenants:

Re: **Water Bleeders/Heat Tapes/Smoke Detectors**

Once again, it is that time of year to turn on your **Water Bleeders/Heat Tapes** to prevent water line freeze ups.

We would like to also remind you to test the **Smoke/Co2 Detectors** that are in your housing unit. To test the unit's alarm and LED lights operation you would push the Test/Reset/ button.

If you need assistance or have any question and concerns, please call Frank Vullings or Eliza Moses, NND Housing Department @996-2265 extension 118 or 119.
