Alexco Resource Corp. owns the Keno Hill Silver District located in Yukon, Canada. Alexco is advancing the Keno Hill District into a development phase beginning with the construction of an underground decline and exploration program at our Bermingham deposit, advancing the decline at the Flame and Moth deposit and positioning the mill for a potential production decision and restart. This is a great opportunity to be part of the team that is building out a world class silver asset in Canada. As part of the district development team, Alexco is currently seeking:

MILLWRIGHTS (4 vacancies)

Responsibilities (including but not limited to):

- Inspect, repair, modify and install milling and processing equipment including crushers, mills, flotation cells, conveyors, pumps and filter presses;
- Adhere to company policies and procedures;
- Develop Job Safety Analysis and follow safe working procedures;
- Repair equipment in the mill and in the field including working in adverse and cold weather conditions;
- Maintain equipment and repair records and work orders.

Education and Experience:

- Valid Interprovincial Red Seal Journeyman's Millwright Certification;
- Related mill experience;
- Valid Driver's License;
- Ability to work independently and as part of a team.

The schedule for this position is 14 days on followed by 14 days off, working 12 hours per day. Only those applicants who possess the skills and education requirements noted above need apply. Occupational drug and alcohol and other testing will be a condition of employment. Preference will be given to applicants currently living in the Yukon Territory. All applicants must be legally eligible to work in Canada.

Alexco provides camp room and board at its camp for employees residing outside of the immediate area. Please send your **resume with cover letter** to the attention of HR Manager, Alexco Resource Corp., hr@alexcoresource.com or fax to 604-633-4887. **Closing Date: Until filled. Start Date: ASAP**
