

## CAREER OPPORTUNITY

Goldcorp is one of the world's fastest growing senior gold producers with operations and development projects located in safe jurisdictions throughout the Americas. A Canadian company headquartered in Vancouver, British Columbia, Goldcorp employs more than 15,000 people worldwide. The company is well-positioned to deliver sustained, industry leading growth and performance. We are able to do this because as a company we believe in safe production, acting ethically, respecting all our stakeholders, open communication, empowering others and innovation.

A Goldcorp career can take you from the far north of Canada to the plains of Argentina—and wherever you go, you'll find a vibrant, supportive, performance-driven culture, and consistent Goldcorp principles of sustainable prosperity, teamwork, workplace safety, environmental stewardship and respect for local cultures.

### **Geotechnician/Core Cutter**

#### **Coffee Gold Project, Yukon**

Reporting to the Exploration Manager, the Geotechnician/Core Cutter will maintain high levels of safety and demonstrate environmental awareness by following all government and corporate regulations and policies. This position is seasonal and is expected to run from March through to November, but could be shorter or longer dependent on drill results. The position is an entry level position with room for professional growth. This is an ideal opportunity for applicants interested in gaining experience that could lead to longer term employment on the proposed Coffee mine. Skills gained through this role are transferable to areas of production grade control, assay laboratory, and equipment operation.

#### **Responsibilities**

- Analyzing, logging & managing core from diamond drills
- Washing & photographing drill core
- Moving core from processing facility to storage areas
- Core cutting/splitting and sampling, paying special attention to quality
- Analyzing and managing samples from RC drills
- Managing sample submission process, including quality control & shipment tracking

#### **Requirements**

- Demonstrated excellent work ethic & organizational skills
- Ability to work partly outdoors when required, ability to work in noisy, dusty or wet conditions
- Physically fit, able to lift 50lbs repeatedly
- Able to work in a camp setting on a rotational basis
- Possession of driver's license preferred
- Completion of grade 12 preferred
- Experience working with Microsoft Office Suite preferred
- Consent to a pre-employment drug & alcohol screening

This will be a fly-in/fly-out position based at the Coffee Project site, rotational schedule will be two weeks in/two weeks out.

Goldcorp. Inc. welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

#### **How to Apply**

Applications close on January 26, 2018. Please email resumes to [reesa.meltzer@goldcorp.com](mailto:reesa.meltzer@goldcorp.com). At this time, we are not accepting candidates referred by recruitment agencies.
