Public engagement on climate change, energy and a green economy

The Government of Yukon, First Nation of Na-Cho Nyak Dun and Village of Mayo are seeking public input.

Help us develop a new strategy to address climate change, meet energy needs and grow a green economy.

You are invited to attend a community meeting:

Date: Thursday, November 22

Time: 6:30 – 8:30 pm

Location: Curling Lounge

Food and refreshments will be served.

For more information, visit EngageYukon.ca. The public engagement period closes on December 17, 2018.

This project is a collaboration between the Government of Yukon, Yukon First Nations, transboundary Indigenous groups and Yukon municipalities.
