

Yukon College is a small and innovative institution with 13 campuses, 11 of which are located in smaller rural Yukon communities. As the only postsecondary institution in Yukon, we prepare our students to succeed in the North. Grounded in northern expertise and strong partnerships, we are poised to be a leader in Indigenous self-determination, climate change and resource development.

Coordinator, First Nation and Community Youth STEM Programs

Communities, Innovation & Development

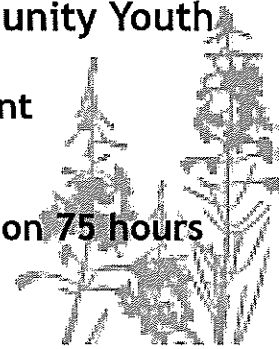

Ayamdigut (Whitehorse) Campus

Term Position to: October 29, 2019

**Hourly Rate: \$33.99 to \$40.47 (based on 75 hours
bi-weekly)**

Employment Opportunity No.: 19.11

Initial Review Date: February 4, 2019

Are you interested in inspiring Yukon communities' young people to discover their potential?

Reporting to the Department Head, Continuing Education & Training, and working with the Coordinator of STEM Youth Programs, the Coordinator is responsible for coordinating programs (including workshops, clubs, camps and events) particularly in the areas of Science, Technology, Engineering and Math (STEM) for youth throughout Yukon with specific emphasis on Yukon First Nation communities. The Coordinator will engage with First Nation governments, Yukon government, youth organizations and other stakeholder organizations to identify key priorities, themes and approaches for delivering year-round STEM related youth programs across all communities in the Yukon. The Coordinator will also supervise a team of motivated staff responsible for delivering the youth programs across Yukon communities.

The ideal candidate will have a Bachelor's degree in a relevant STEM and/or Education discipline, with previous experience supervising, coordinating programs and working with a wide range of youth in educational activities and/or recreational settings in Yukon/First Nation communities. Candidates should be independent self-starters and demonstrate excellent communication and organizational skills. Previous experience coordinating community delivery of programs and courses is an asset. A valid Yukon class 5 drivers license and Standard First Aid/ CPR C are required. Candidates must also complete a vulnerable sector RCMP check upon hire.
