About me

Hi. I am Florence Pilon, and I am of the Wolf Clan running for Deputy Chief.

I was born and raised in Mayo and I am the daughter of Bella and Johnson Peter. My grandparents are Edwin /Mary Hager and Sam/Lucy Peter. I am married with one daughter and 2 grandsons.

I will be your voice in the matters of all our Government affairs and will do my utmost to make the changes as requested by the FN as a whole which will take time as we will have to research no conflict with the FN Constitution, the applicable laws that apply to us and some are the Human Rights, Harassment and Personnel policies. Other than personnel issues nothing should be confidential to NND.

Question is: how can we achieve this as a whole to make our Government FN oriented and successful?

My work history

I have one year in Business Administration and held various jobs working for the FN over the years such as: recently the Youth Coordinator Prior to this I held the position as the Health Promotion Coordinator with which I have had the opportunity to organize the first Health Conference held in Mayo. Status Registry Administrator, AHOP Administrator, Cultural Camp Coordinator, FN Council, and Deputy Chief and had the opportunity in assisting in the development of the Investment/Business Trust for NND along with sitting on different committees. I have a vast range of knowledge in our traditional lifestyle and the NND Constitution.

I have taken course in conflict resolution, recreation sports, project management 1 &2, WHIMMIS, TDG, and wilderness 1st aid, computer skills in word and excel,

IF Elected I will focus on....

- **FN's citizen aiming for self sufficiency and living a healthy lifestyle with focus on how we can do this NND Traditional/Culture way!**
- **to encourage a traditional lifestyle living off the land.**
- **I am very dependable/ confidential, and have the ability to get things done in a timely manner.**

- **to see our own people trained/mentoring, job shadowing and running our Government, t**
