

Why Vote for Deanna?

I believe, I would make a great candidate as a Councillor for Na-Cho Nyak Dun First Nations as I enjoy working with people. I've always had a huge heart and open a mind and will strive to help our community battle addictions. To make sure our children have an opportunity for a healthy, happy future. As well as, promoting wellness. I as a Citizen of Na-Cho Nyak Dun has always had open doors to those who need someone to talk to. I believe I would benefit my Government by assisting with much needed support that is lacking within our community. I have a strong traditional background, great connections with our Elders, our people and our community. I will strive to my fullest to care for all of our citizens.

“I Will Be Here for Our People, To Promote Wellness, Honesty, Leadership, and Guidance”
