 **Na-cho Nyàk Dun Council**

2020 – 2023 Strategic Plan

Overview

This First Nation of Na-cho Nyàk Dun Council Strategic Plan – 2020-2022, was developed by Na-cho Nyàk Dun Council to guide the Council in their efforts to improve community wellness and the quality of life for Na-cho Nyàk Dun citizens, wherever they may live.

WHAT IS A NA-CHO NYÀK DUN COUNCIL STRATEGIC PLAN?

A strategic plan, put simply, is a plan of action to meet an overall purpose or aim. A strategic plan often contains four key parts:

- Vision – a statement about where you and your members want to go;
- Strategic Goals – what Council want to achieve to advance the vision;
- Priority Actions – how the goals will be achieved; and
- Implementation Plan – when and how the goals will be achieved.

This Na-cho Nyàk Dun Council Strategic Plan is a strategic plan for Council to align priorities and identify actions to implement those priorities over this term. This strategic plan provides guidance for Na-cho Nyàk Dun administration on the implementation of the Council’s mandate and the fundamental principles set out in the First Nation of Na-cho Nyàk Dun Constitution. A strategic plan is a living document that may have to be refined over the term should circumstances change.

STRATEGIC PLANNING SESSIONS

This Na-cho Nyàk Dun Council Strategic Plan has been developed based on discussions held over a series of five virtual half-day Strategic Planning Sessions, as well as information shared through telephone interviews with each Council member. The focus of the Strategic Planning sessions was to identify:

1. a vision statement for Na-cho Nyàk Dun Council;
2. governing principles that will help guide Council’s work over the term;
3. strategic goals that identify what Council wants to achieve during the term; and
4. priority actions to achieve the strategic goals.

All of these elements are reflected in this plan.

In attendance for all or a majority of the strategic planning sessions were the following members of Na-cho Nyàk Dun Council and Administration:

- Chief Simon Mervyn
- Deputy Chief Roberta Hager
- Barb Buyck, Councillor
