

Mayo Community Fish and Wildlife Work Plan

Your responses will help develop the community fish and wildlife work plan. These plans are one way that Yukon Government, First Nation Government and Renewable Resources Council decide on priority values and how they will be worked on.

***Required**

Habitat

This form is for the community feedback on your habitat values, priorities, and concerns you have in the Mayo area and Nacho Nyak Dun Traditional Territory.

1. Name and Contact (Required for RRC draw entry - can write "none" if you would like to stay anonymous) *

Habitat Questions

These questions are to help identify your habitat values, priorities, and concerns you have in the Mayo area and Nacho Nyak Dun Traditional Territory. Feel free to provide responses regarding HABITAT outside these questions.

2. 1) What values, priorities or concerns do you have about wildlife habitat in the Mayo area and NND traditional territory? Please describe.

3. 2) Are there any specific areas you especially value the habitat or are concerned about? If so, where?

4. 3) Are there any areas where you value the water quality and fish habitat or have concerns about the water quality and fish habitat? If so, where?

5. 4) Do you think that there are any negative effects of human activities on wildlife habitat? If so, please describe them.

6. 5) What do you think are some solutions for any of the areas you value or issues you've identified?

7. Feel free to provide responses regarding HABITAT outside the above questions.

**Future
Engagement**

We will be seeking feedback on other topics such as moose, caribou, fish, monitoring and stewardship. Please indicate if you like to be engaged on these topics.

8. Would you like to be further engaged with planning?

Mark only one oval.

Yes

No

Maybe

9. If yes, how?

Tick all that apply.
