---

### THE OPPORTUNITY

This is an opportunity to assist in maintaining and harvesting the community garden project located at the NND Lands property. Reporting to the project lead you will adhere to compliance with all health and safety standards, regulations and all other policies ensuring project deliverables in operations, production and maintenance aligns with traditional methods through teaching and harvesting is effectively and efficiently implemented on behalf of the priorities of the Nation.

### THE PERSON

This person likes to work outdoors rain or shine, enjoys tasks such as planting, cultivating, irrigating, fertilizing, and harvesting different kinds of vegetables and herbs. You have an interest in food handling and preservation techniques. You take the initiative and have no issues with knowing and learning how to operate small engine equipment, such as, mowers and landscaping tools. You are comfortable with monitoring the electric fence around the property for wildlife intervention and assisting in tending to the property grounds.

### QUALIFICATIONS

You will have Grade 10 and/ or relevant experience and training in gardening, farming and/ or agriculture. The position may require a Class 5 Driver's License, Security Clearance, First Aid and CPR (willing to attain) and Chainsaw Certification (an asset).

**ANNUAL SALARY RANGE:** \$ 26.16 - \$ 34.34 per hour (\$ 51, 176.00 - \$ 67, 180.00)

If you are interested in this opportunity, please send cover letter and resume to:

<b>Date:</b>	March 2024
<b>Status:</b>	Term
<b>Classification:</b>	Level 3

---

### **Job Summary**

Reporting to the Social Manager the Garden Labourer is responsible for maintaining and harvesting the community garden project. The incumbent will adhere to compliance with all health and safety standards, regulations and all other policies ensuring project deliverables in operations, production and maintenance aligns with traditional methods through teaching and harvesting is effectively and efficiently implemented on behalf of the priorities of the Nation.

### **Main Duties**

- Participates in tail gate meetings and follows safety procedures and wears appropriate personal protective equipment (PPE).
- Ability to regularly receive direction and complete tasks, including, planting, cultivating, irrigating, fertilizing, pesticide control and harvesting.
- Ensures deadlines are met for activities, such as, seeding, harvesting and preserving food safely.
- Ability to learn and demonstrate proper food handling and preservation techniques.
- Ability to maintain, weed and till farm garden plots, equipment and supplies advising the supervisor of maintenance, repairs and keeping inventory control.
- Ability to operate small engine equipment (i.e., tractor, mower, landscaping tools, etc.).
- Ability to maintain and monitor irrigation systems and practice water conservation regularly.
- Ability to maintain and monitor electric fencing around property for wildlife intervention.
- Ability to assist in preparing and storing property grounds, facilities, and inventory for seasonal closure.
- Load and unload materials and tools from work trucks, storage areas and buildings.
- Ability to work in a team-work environment and actively participate and empower one another in a supportive manner.
- Other duties as required.

### **Qualifications**

#### **1) Education & Experience:**

- Grade 10
- Relevant experience and training in gardening, farming and/ or agricultural.

#### **2) Knowledge, Skills and Abilities:**

- Must have good written and oral communication skills.

- Must have self-initiative and motivation skills.
- Ability to troubleshoot minor maintenance issues on small engines/ power and hand tools.
- Ability to demonstrate good work ethic.
- Knowledge of any relevant traditional First Nation harvesting principles, an asset.
- Knowledge of composting and recycling methods, an asset.

### **Impact / Accountability**

The work of this position is progressive in nature and is responsible for conducting minor maintenance and repairs within the scope of the community garden project property facility and infrastructure as directed.

### **Decision Making**

Priorities, goals and objectives for the project and implementation deliverables are directed by the supervisor. Ultimate operational decision making (i.e. crisis management) is reported to the supervisor.

### **Key Personal Contacts and Nature of Contacts:**

<b>WHO</b>	<b>NATURE OF CONTACT</b>
