

ART FACILITATOR CALL OUT

The Wellness team will be starting a social group with art and conversation as the focus for young women in the community. We envision a safe space to gather, share important conversations, create, and learn together.

We're seeking a female facilitator (approx age between 15–40) who enjoys sharing creative skills in a group setting. This could include:

- Beading
- Sewing
- Painting
- Drawing
- Or other creative crafts

The goal is to begin as a social and creative group, with room to grow over time. Funding is connected to a specific program focus, but the evenings themselves will centre on creativity, conversation, and wellbeing.

If this sounds like something you'd enjoy leading or if you'd like more details please reach out.

Call or text Mackenzie: 867-383-0187

Feel free to share this with someone who might be a good fit!
