CALL FOR INTEREST

Winter On-the-Land Camps

We are exploring interest in winter camps held on traditional territory in areas such as Kathleen Lake or Nash Creek.

Camps would take place in February or March and may include:

- Snowmobiling
- Staying in dry cabins or wall tents
- Time on the land, learning and reconnecting

**If there is enough interest, camps will be booked.
Call or text Mackenzie 867-383-0187**
