HOME & COMMUNITY CARE PROGRAM – CHANGES COMING

We want to hear from you.

There will be new updates to the Home and Community Care Program and we want to gather input before the changes are made.

SHARE YOUR INPUT:

- Call or text Mackenzie at 867-383-0187
- Or join the Community Wellness Engagement on February 18 at the Wellness Center 12:00 - 2:00 pm

Elders will also be contacted for one-on-one conversations to ensure their voices are heard.

Thank you for taking part.
