

CALL FOR COMMUNITY PARTICIPATION: FIRST NATION OF NA-CHO NYÄK DUN MMIWG2S WORKING GROUP

Yukon has the highest rate of murdered Indigenous women in Canada.

This injustice must end.

The First Nation of Na-Cho Nyäk Dun is seeking Citizens and community members to express interest in joining the MMIWG2S Working Group.

This committee is an outcome of the July 2025 MMIWG2S Resolution, committing FNNND to affirming the crisis of MMIWG2S, and the advancement of justice, safety, and healing. This work includes advocating for the 231 Calls for Justice from the National Inquiry into Missing and Murdered Indigenous Women and Girls. The purpose of this committee is to guide the implementation of this work and its objectives in a good way. This committee is seeking community voices that can support this work, including survivors, families, Elders, youth, Two-Spirit and gender-diverse people, and subject matter experts.

For further questions or to express your interest, community members are encouraged to reach out to Ellenise Profeit via email at:
