We are currently seeking tenders for our 2026 Furnace Servicing cycle that would start in August 2026.

To provide furnace inspection services for the following but not excluding additional residential housing units as it becomes available.

The water holding tank cleaning service will be for approximately 70 tanks (mainly residential but some commercial) which shall include:

- Clean up and filter change
- Providing cleaning price per unit
- Cleaning of Furnaces up to WETT standard
- Reporting if Furnace is adequate for size of House
- Inspecting Furnaces to report on longevity and any problems
- Preparing a report to bring Furnaces up to standards with costs
- Recommend next servicing

Tenders will be accepted until June 24 at 5:00 PM

You can turn in your offers in person at the NND Government Building or via email at Capital.Infrastructure.Admin.Assistant@nndfn.com to the attention of Daniel Pictin – Director of Capital and Infrastructures.
