SPECIAL GENERAL MEETING

Re: Mining and Resource Development

Attention Citizens:

Following the resolution passed at the recent General Meeting, we invite all citizens to attend a Special General Meeting focused on mining and resource development. This meeting will provide an opportunity to share information, discuss community perspectives, and help guide future conversations and decision-making on these important matters. We encourage all citizens to participate to have your voices heard.

Event Details:

DATE

Saturday & Sunday | June 27-28, 2026

TIME

8:00 AM-5:00 PM

LOCATION

Mayo: VoM Community Hall

Whitehorse: Yukon Inn Willow Room

Zoom Link: <https://bit.ly/4fNf8hH>

"The destruction of the land has a big impact on the animals and the fish. And my main concern is the water. We got to keep the water clean for us to survive. The water, that is the main thing, for us human beings and the animals and the fish. You know that's how you survive, through the water. It's a strong medicine too, it keeps us alive."

-Nacho Nyak Dun Elder
