With Taylor
Architecture!

Join us for dinner and a community conversation about the design and finishes of the Gathering House.

Come see how the building might look on the inside and share your thoughts on:

- Interior and exterior finishes
- Cultural elements and artwork
- Community spaces and gathering areas
- How the space can reflect our values and traditions

Your voice will help guide the final details of this important community space.

Dinner provided.

Help us create a Gathering House that feels like home and reflects who we are as a people.

Together, we are honouring our past and shaping our future.
