

# ELDERS LUNCH

Help Shape Dän Laachewdäw Kún Gathering House

● **Location: Multipurpose room (in Gov House)**

With  
Dr Darient

**TUE** | **ELDERS LUNCH & TEA**  
**JULY 21** | 12 noon - 2 pm

**We invite Elders to join us for a dedicated conversation about the Gathering House.**

Our stories, teachings and ways of knowing connect us to one another and to the generations who will follow.

We'll walk through the building together and ask: how do you want to contribute to community wellness? What programs should flourish here? What gifts do you bring? We want to hear from you, and to learn.

Join us for lunch, conversation and a project update as we work together to create a Gathering House that reflects who we are as people.

Your knowledge and experience will help guide the heart and spirit of Dän Laachewdäw Kún Gathering House.

**Together, we are honouring our past and shaping our future.**
