DINNER AND DIALOGUE: FINANCE ACT

NND is inviting NND Citizens to share your thoughts on updating the **NND Finance Act.**

WHEN AND WHERE:

Wednesday, December 2 | 5:00-8:00 PM
NND Government House Multi-purpose Room
A Zoom link is coming soon.

WHY PARTICIPATE:

NND entered into its Self-Government Agreement over 30 years ago and has enacted several laws since then. A review of NND laws is underway to ensure the laws remain aligned with NND priorities, practices, and principles.

Have your voice heard! Help shape the future of our Nation.

HOW IT WILL WORK:

We will seek your feedback on what changes you would like to see in the Finance Act, if any. That feedback will inform drafting of an updated Finance Act, which will then be presented to NND Citizens for additional feedback and, eventually, approval.

WHERE TO FIND ADDITIONAL INFORMATION:

Copies of the current Finance Act will be available at the consultation meeting. If you have any questions about the upcoming consultation, please contact Councillor Helaina Moses at helaina.moses@nndfn.com.
