THURSDAY, NOVEMBER 5, 2026
1:00 PM – 4:30 PM
NND MULTI-PURPOSE ROOM
ZOOM LINK AVAILABLE IN CAPTION

JOIN US

The First Nation of Na-Cho Nyäk Dun is inviting Elders to join us for an important discussion. We are seeking the knowledge and guidance of our Elders on several projects, including how we protect and maintain ownership of our community's information, as well as ongoing planning for the Hecla remediation work.

These discussions are important for ensuring that our decisions reflect our values, respect our relationship with the land, and uphold the well-being of future generations. Your experience, knowledge and perspectives are valued, and we encourage Elders to come share their thoughts, ask questions and help guide this work.
