Enín! NND nän ka yí t'sę́ nahena nah'in hę́:

COME WALK WITH US

TOWARDS AN NND LANDS VISION

Join us for an evening reflecting on where we've come from and where we stand—a first step in a series of upcoming engagements traveling towards a Land Vision and land planning in NND's territory.

We will look at old maps, reflect on the relationships of our ancestry, and learn about NND's recent traditional land use study, results of the community survey and more!
