SPAY & NEUTER ASSISTANCE PROGRAM

BOOK NOW

The First Nation of Na-Cho Nyäk Dun Council is pleased to introduce our new Spay and Neuter Assistance Program to help Citizens with the cost of spaying or neutering their dogs and cats. This program was developed following direction from Citizens at the 2024 Special General Assembly
#2- Dog Bylaw.

What's Covered?

-FNNND covers 70% of eligible costs, up to $1,000 per animal.
-100% coverage for eligible Citizens receiving Social Assistance or Disability assistance who are currently unemployed.
-Maximum of 2 animals per household, with assistance available once per household.

How to Apply:

Step 1: Book your appointment with Alpine Veterinary Medical Centre
Step 2: Submit your application with your confirmed appointment details at least 14 days in advance.

Please note that missed appointment, late cancellation fees and travel are the responsibility of the pet owner.

For applications or more information, contact:

Councillor Helaina Moses
